Re: Radio Program of November 22nd

Dear Jane:

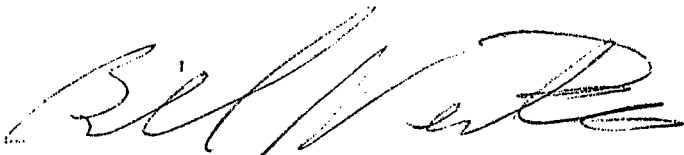

I want to personally thank you for having Harold Weisberg on your show today. He is certainly the expert on this subject and I thought your show was very good today.

Is it possible to get a tape of the show, especially the 10:00 a.m. to 11:00 a.m. segment with Weisberg? I missed part of it because I was in court.

I enclose a copy of Whitewash II, Weisberg's second book which has a picture that is apparently Lee Harvey Oswald on the front steps of the Texas School Book Depository. I also include a letter from Kentucky Senator John Sherman Cooper, in which he refutes his belief in the single bullet theory.

Again, thank you very much. Good luck with your show.

Sincerely,

William L. Neichter
