

Dear Bill,

3/31/95

Thanks for writing Dal. The Waketh disk states what it was made with so I hope that will be no trouble for any of you. I think that will also be true of the disk I have asked for on Senator Russell Dissents.

On breakfast on the 7th: I usually have two breakfasts. One is a bowl of cereal about 3 or 4 a.m. and the other is <sup>raw</sup> vegetables when I get home about 8:45 or 9. If you want to sleep late I can meet you at the Red Horse if you want a late breakfast.

Saturday/s now I leave for my walking about 6:30 and I walk until about 8. So again if you want to sleep late, and maybe I'll have a reason for you to be up late, I can then meet you for breakfast. I do not offer Lil's services because when she can stir around with less <sup>ffic</sup> difficulty she has a stack of taxes to get done. Sunday is different. That is the one day we breakfast together. Buffet style because I sit with my legs up.. But you and Lil can use the table. And <sup>li</sup> Mondays are like Fridays for me.

Jerry is taking a nap. I phoned to ask him for the set of his manual he has for you so you can go over it and not duplicate those records all over again and so that you can make notes of what they suggest to you that you might want to copy.

4/1: With the time you have I think you'll do well to limit yourself to the blue file folder on my desk oeganizaer (organizer with me?) and the basement subject files.

What I wrote the Post about the story I wrote ARRB about has yet to be copied. I may save that until you are here.

Best,
