Dear Harold & Lil:

Thank you for letting me occupy your home for three days last week. I really appreciated your hospitality. I was happy to get copies of as many documents I did. It was really great to see the two of you.

Betsy's father is improving rapidly. I am driving to Chicago tomorrow to visit them. Hopefully his recovery will continue on track.

I have not seen anything on Mailer's book yet. I'll keep looking.

I'll write you next week after tax season and my return from Chicago. Don't work too hard.

Love,
