RELEASE IN FULL 1995

This document is for the use of your office only. It is not to be distributed outside your office.

Reference is made to the memorandum dated December 10, 1965, concerning the allegations made to Mr. Charles William Thomas of the Political Section by Elena Garro de Paz relative to the activities and associates of Lee Harvey Oswald in Mexico.

INTERVIEW with

For your information, Mrs. Elena Garro de Paz and her daughter, Elena Paz Garro, were interviewed by personnel of this office on November 17 and 24, 1964, at which time they furnished information similar to that set forth in referenced memorandum. Inquiries conducted at that time, however, failed to substantiate the allegations made by Mrs. Garro de Paz and her daughter.

In view of the fact that Mrs. Garro de Paz' allegations have been previously checked out without substantiation, no further action is being taken concerning her recent repetition of those allegations.
