Dear Mr Weisberg

The Air Force Office of Special Investigations (AFOSI) has requested that we reply to your letter of May 1, 1975 to their Headquarters.

Headquarters AFOSI has thoroughly searched their records and determined they have no files or records pertaining to you. If you had been the subject of an investigation pertaining to a criminal or counterintelligence matter of concern to the Air Force, your name would have been indexed and recorded in the Defense Central Investigative Index (DCII). If you were mentioned in an investigation, but did not have a prominent part in the investigation, your name would not be indexed and thus, they would be unable to retrieve the file. AFOSI also has a suspense on the length of time files are maintained. The possibility does exist that your name appeared in an AFOSI file which has been destroyed and your name has been purged from the DCII.

Colonel D. W. Richardson, HQ AFOSI, in his letter of April 10, 1975 requested additional identifying data pertaining to the files you feel that are being maintained by AFOSI. You failed to furnish such information, therefore, at this time, AFOSI has no way short of a physical search of all its files of determining if your name appears in any files it is currently maintaining.

If you can be more specific, or give additional information on paragraph 5 of your letter dated 21 March 1975, we may be able to find some more information.

As of this date, the search time cost involved is \$30.30. We would appreciate receiving your check in this amount made payable to "The Treasurer of the United States" and forward it to HQ USAF/DADE, Washington DC 20330 with a copy of this letter. ^{10 31}

DISPATCHED

If you desire further searches to be made, please deposit a check in the amount of \$25.00, made payable as above and mailed in the same manner. When that amount has been exhausted or information located, you will be advised.

Sincerely

M. K. Ward
