Mr. Carl *, Belcher, Chief General Trimes Section Department of Justice Washington, J.J. 20530

Deer ar. Belcher.

Although I have no reason to assume that Dr. Rhoeds writes me without consultation with your department, I enclose herewith his letter dated April 4, which reached me after I lost wrote you, together with a copy of my reply.

I regret the corbon of my letter is so difficult to reed.

I do hope you will have the time to read these esrefully and to think about their contents.

Meanwhile, I also call to your ettention the fact that there are questions I asked before you first wrote me to which your department has not yet responded.

If you examine the file left by Mr. Vinson, you will also see there is further communication he promised that " have not yet received.
