Dear Mr. Weisberg

This will respond to your letter, dated July 26, 1977, addressed to the undersigned. Also, your letter, dated July 16, 1977, addressed to Mr. Charles W. Hinkle, was received in this office for action on August 4, 1977.

As you were advised by letter, dated 1 August 1977, from the Office of the Air Force Judge Advocate General, some records relevant to your request were found. These documents will be dispatched to you in the near future.

We understand that you have appealed certain deletions taken in the above described records and your appeal is being processed.

No additional records can be located at this headquarters and further search would therefore be pointless.

Sincerely
