Mr. Harold Weisberg
Route 12 - Old Receiver Road
Frederick, MD 21701

Dear Mr. Weisberg:

This replies to your letter, dated 1 June 1977, alleging improprieties in this Agency's processing of your requests under the Freedom of Information Act, as amended. In my letters of 6 April 1977, 10 May 1977 and 11 May 1977, I have provided you all the assurances possible that no such improprieties exist and I have informed you, by my letter of 23 May 1977, how to proceed if you are dissatisfied with this Agency's responses to your requests.

The next to the last paragraph of your 1 June 1977 letter may constitute a new request for information relating to publishing, promotion, distribution and foreign distribution of manuscripts and books, although its terms are too general to describe reasonably the records you wish to obtain. If you intend this to be a new Freedom of Information Act Request, you should state more precisely what you want and should direct that request to the NSA Information Officer, ATTN: D4, National Security Agency, Fort George G. Meade, Maryland 20755. That request then will be processed in accordance with Title 5 U.S.C. 552 as amended by Public Law 93-502.

Sincerely,

WILLIAM H. JENKINS
