REMARKS			
<p>Re: Harold Weisberg</p> <p>I have tried to be patient with this man, since he has some national reputation. But his letters are beginning to be irrationally vituperative, bordering on slanderous.</p> <p>Attached is correspondence concerning his and his wife's PA requests. (The only other correspondence I have relates to his request through his attorney James Lesar for records about the King assassination. Civil Rights Division handled that, and referred some twenty documents to us which we gave him.) I don't doubt that there may be other requests previous to his PA and the King FOI, but, as you know, the central FOI DJ file is unindexed, chronological and there is no way of locating them.</p> <p style="text-align: right;">(over)</p> <p>Do NOT use this form as a RECORD of approvals, concurrences, disapprovals, clearances, and similar actions.</p>
