On the same date BORAH conferred with HALPERIN concerning the hereinbefore mantioned attempt on the part of REAP to obtain information regarding WALPERIN's resignation from the State Department. BORAH advised that the press relations paper of the State Department at the request of a columnist (DHEW PEARSON) was making certain checks with reference to Division Chiefs who have resigned within the past three months. BORAH also stated that the reason given for HALPERIN's resignation was that he had ulcers. This afforded much amusement for both HALPERIN and BORAH. BORAH continued by saying that HAROLD (possibly HAROLD WEISHERG) of the R & A Branch of the Latin American Division of the State Department is making a complete check to see if we can find out something definite about this inquiry. HALPERIN relied That whole Marshall was not a preparation for the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the same state of the swan song of the whole Marshall was not at the same state of the swan song of the whole Marshall was not at the same state of the swan song of the whole Marshall was not at the same state of the swan song of the whole Marshall was not at the same state of the swan song of the whole Marshall was not at the same state of the swan song of the whole Marshall was not at the same state of the swan song of the whole Marshall was not at the swan song of the whole Marshall was not at the swan song of the swan
