Dear Mr. Weisberg:

The National Archives referred to us your inquiry about microfilm you carried from Chile in 1941 to an assistant of James Roosevelt.

We have checked the readily identifiable files in the President's papers (OF 429 Chile), OF 10B (FBI) and PSF: Chile and could find no documentation referring either to you or to the microfilm which you mention. We also checked our indices at the Library for your name in the President's and several other collections and could not find any listing for you.

I am sorry we have been unable to be of more assistance to you in this matter.

Yours sincerely,

William R. Emerson
