Mr. Harold Weisberg
Route 12
Frederick, Maryland 21701

Dear Mr. Weisberg:

This is in response to your letter of May 27, 1977, in which you request a further search for records concerning a second suit filed by you in 1962.

As has been explained to you by Captain John R. Roe, United States Marine Corps Reserve, of our Office, in his telephone conversations to you, an extensive search for the documents you have requested has been conducted. That search has failed to uncover any of the documents you have requested. However, four index cards pertaining to your first suit have been discovered and are being furnished to you.

I regret that we could not be of more help to you in this matter. Should you have any questions concerning this letter, please feel free to contact Captain Roe (202) 694-4028/32, the action officer assigned to your case.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Dean Pfeiffer", is written over the typed name.
