Rt. 12, Frederick, Nd. 21701 3/1/78

Mr. Quinlan J. Shea, Jr. Director PA/FOIA Appeals Department of Justice Vashington, D.C.

Dear Mr. Shea,

ITIU LURING

By wife and I thank you for your letter of 2/28, the enclosures and the appendedm note.

Thanks also for the phone call from Ms. Linda Robinson.

When she completes the list she will be making I have promised to go over it and see if I can recall any omissions.

Although Hr. Lesar is out of town we spoke after she phoned. He is in agreement, that I check the list for you.

On the subject of your letter there have to be Baltimore and Washington FBI field office files. Indexes should disclose the location of those records. The FBI is merely stonewalling on this. From my experience with them they will continue to stonewall as long as they are permitted to do so.

The same is true of the records 1/ in <u>Maited States</u> v. <u>Mayne</u>. As I believe I told you the office of the U.S. Attorney for the District of Columbia should have records that will lead to the PBI's.

If you or your staff want confirmation of what I reported about "arlan County and that there should be some records I believe that "rs. "argaret Schweinhaut may remember that we met when she went to bondon, Ky., to visit her late husband, Henry, then of Criminal. Of the young lawyers who may still be around there was Walter Gallagher. bast I heard of him he was in the law firm of the late Brien "cHahon, then chief of Criminal.

We do appreciate this effort. Thanks.

Sincerely,

Harold Weisberg
