Mr. Harold Weisberg Route 12 Old Receiver Road Frederick, Maryland 21701 12 JUN 1981

Dear Mr. Weisberg:

This is in response to your letter of May 17, 1981.

Enclosed are copies of records contained in CRM-024 relating to you with the exception of those records associated with your request for the John F. Kennedy papers. Since that request is currently in processing we are deferring processing those CRM-024 records to avoid delay of the substantive request. Those records will be forwarded to you upon completion of the request processing.

We have also located in CRM-024 a document which originated with the Office of the Deputy Attorney General. Pursuant to Department regulations, we are referring that document to the originating office for direct response to you.

The CRM-024 file reflects that you were advised on June 3, 1977 of the Criminal Division search and findings concerning David DuBois Mayne and Mary Helen cases. A copy of that letter will be found in the records attached.

In addition, we have located a document that pertains to an obscenity case in the District of Columbia entitled <u>U.S.</u> v. <u>"Teenage Fantasies"</u> in which the defendant is a Mr. Weisberg. (First name not given). We believe that this document does not pertain to you.

In compliance with your request we have referred to the Executive Office for United States Attorneys a copy of your May 17 letter as well as a copy of your March 25, 1981 and April 20, 1977 letter which describe the <u>Mayne</u> and <u>Mary Helen</u> cases. That office, not this Division will make direct response to you concerning any files retrieved as result of the referral.

No fees are being charged for the enclosed copies of your CRM-024 file.
