Mr. Quinlan J. Shea, Jr.
Director, FOIPA Appeals
Department of Justice
Washington, DC 20530

Dear Mr. Shea:

When I filed Privacy Act requests with several FBI field offices, I sent you copies because I anticipated denials.

In order to reduce the volume of paper and work, I waited to file appeal until I received the last and overdue response. This arrived today from the Richmond office.

I am now filing a protective appeal pertaining to the denials of the Richmond, Alexandria, Washington and Baltimore offices and will amplify it as soon as this is possible.

Sincerely,

Lillian Weisberg
