Mr. Carl \*, Pelcher, Chief General Frimes Section Department of Justice Washington, J.J. 20830

Deer -r. Belcher,

Although 1 have no reason to assume that Dr. Rhoads writes me without consultation with your department, I enclose herewith his letter dated pril 4, which reached me after I last wrote you, together with a copy of my reply.

I regret the corbon of my letter is so difficult to read.

I do hope you will have the time to read these estefully and to think about their contents.

Meanwhile, I also call to your ettention the fact that there are questions I saked before you first wrote no to which your department has not yet responded.

If you examine the file left by Mr. Vinson, you will sloo see there is further communication he promised that " have not yet received.

Sincerely,

Herold Meleberg
