SUBJECT: ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
NOVEMBER 22, 1963
DALLAS, TEXAS
MISCELLANEOUS - INFORMATION CONCERNING

PURPOSE:

To furnish information in Bureau files concerning Harold Weisberg and Edward Jay Epstein, who authored the books "Whitewash" and "Inquest" respectively, each dealing with the findings made by the President's Commission on the Assassination of President Kennedy.

HAROLD WEISBERG

Harold Weisberg and his wife, Lillian Stone Weisberg, jointly own a 14 acre tract of land in Hyattstown, Maryland, upon which they operate the Coq d'Or Farm whose principal business is raising of pheasant-chickens, Rock-Cornish game hens, waterfowl and other poultry and the sale of poultry and eggs.

Bureau files contain numerous references to the Weisbergs. The Department of State, in a report dated April 28, 1947, showed that Harold Weisberg was an employee of the La Follette Civil Liberties Committee from September, 1936, to October, 1939, and was discharged for permitting certain information to leak to the press. This report sets forth that Senator La Follette stated that Weisberg had been dismissed for a breach of trust involving the release of confidential information to newspapers, and the Senator was quite certain the newspaper involved was The Daily Worker.

NOT RECORDED

Weisberg was one of ten employees fired summarily by the State Department in June, 1947, because of suspected communist or communistic sympathies. He was later allowed to resign without prejudice, but was not restored to his job.

In 1961, Weisberg and his wife filed a claim against the Government under the Federal Tort Claims Act in the amount of \$9,950 for damages allegedly sustained by them in their poultry business as a result of low-flying helicopters. This case was tried and court directed judgment in favor of the Weisbergs for \$750.

In a letter dated May 23, 1966, to the Director, Weisberg enclosed a copy of his book "Whitewash" and made reference to quotations from the Director's testimony and that of FBI Agents and stated he believed these required "immediate and unequivocal explanation." He submitted three questions which pertain to testimony concerning the number of shots fired and he questioned the results of our Laboratory examination of the bullets.
