PROPAGANDA AGAINST JEWS

Dear Sir,

I felt the enclosed might interest you, as unknown persons are distributing same under door ways and other places here, and no doubt elsewhere over the Country, probably mailed in bulk to Agents in various cities for distribution in order to get people to buy quantities and in turn become propaganda Agents and pay out good money for the priveledge.

Because such propaganda circulated among those who are uninformed and ignorant of the truth and the real facts can in time become not only a menace, but weaken our democratic form of goverment, create a dangerous fifth column within our country who become tools of others who lead them to think that it is a patriotic duty they preform.

Am sure you will agree with me, that the person, or persons behind this racket, for that is all it is, are only concerned in personal gain regardless of how much harm they do the citizens of our country, and since the name and address appears on the back cover of the enclosed, thought maybe it would give you a lead to uncover and stop these parisites, trouble makers and racketeers whose only motive is to enrich themselves, the quicker we are rid of such scum the better our country and its people will be.

Sincerely,

Is
Communism
Jewish?

By R. F. LEGANT

which the majority of their people do not desire." Since the government of Poland is now Communistic and a puppet of Stalin, this again reveals Jews in key positions in a Stalinist Red regime. Romania is another of Stalin's puppet states. The American Hebrew of August 15, 1947, boasts that the Jews control Romania.

Let us not forget that both Stalin and Molotov, the two most powerful men in Russia, are married to Jewesses.

Every current exposure of Communists in the U.S. reveals a list of Jewish or largely Jewish names. Thus when a group of Reds picketed Churchill in New York City (after Churchill turned against Stalin) and were arrested for their demonstration, their names as disclosed by the New York Times of May 11, 1946, turn out to be 100 per cent Jewish: Albert Shafren, Nelson Levitt, Bernard Silverman, Norman Sternbach, Charles Intrator, Nathan Litwack, Morris Gimowitz, Irvin Greenberg, Milton Seligman, Joseph Nahen, Sol Soolis and Morris Schwart.

The five men ousted by the Army from the Aberdeen Proving Ground because of "irrefutable evidence that they were members of the Communist Party" (Washington Star,

July 19, 1946) were all Jews: Harry Spector, Phil Weiss, Irving Spector, Abraham Kotelchuck and Rheabel Mendelsohn.

Although only 5 per cent of the population of the United States is Jewish, 60 per cent of the ten State Department aides dismissed for suspected disloyalty (Communists) bear Jewish names: Irving Goldman, Hannah Goldman, Florence Levy, Bernard Nortman, Alexander Lesser and Harold Weisberg. (Washington Times-Herald, September 21, 1947.) The remainder may also have been Jews since many Jews have been concealing their identity behind old Gentile names.

As everyone knows the Congressional Committee for the Investigation of Un-American Activities has done some of the most important work in the United States to expose Communist infiltration into our government. When the continuation of this vital Committee came up before Congress, every Jew in Congress voted to discontinue the Committee on Un-American Activities. The record is available for everyone to see in the Congressional Record of May 17, 1946.
