Re Sullivan:

The New York Times of 8/27/38 has a story on Dies reply to Eli Oliver's charges against Sullivan part of which reads as follows:

Declaring that Mr. Sullivan had denied the League's charges, Mr. Dies asserted that they were beside the point. He accused the league of "raising a smoke screen to cloud the real issue". This story is based upon a written reply by Dies to Oliver. Part of this reply was used by Dies in his Liberty series, but not the above.
