

RESEARCH NOW POTENTIALLY USEFUL:

Chase the Prewett lead...we have only nibbled at it so far.

X Interview of Julio Lobo in Spain...the man who may have suggested Veciana to US intelligence officer Bishop.

Interview Phillips.(I have never done so - except in TV confrontations.)

Trace Phillips first wife, who was with him in Cuba and in 1963.(They are divorced, and I believe I can find her.)

X Obtain the classified Committee report on the CIA, Phillips, and Mexico City...I think I may be able to get it from its authors.

Interview Wayne Smith, now still a US diplomat, who was amongst the names Bishop gave to Veciana in 1961.

Read this, which says the name who "Bishop" is
Just call - tell Mr Sweeney.
