

Wednesday

Dear Sol,

Last night I thought the memorandum I gave you was to be used in the issue appearing this Friday. I have just learned that it will be a week longer in coming out. Therefore, please do not make any public use of it until then.

Enclosed is a copy of a decision I thought you'd like to have. Please return it if you don't want it.

Also, will you please send me a copy of the American League Chicago affidavits by special delivery air mail? I am sorry to bother you, but I must have them by tomorrow night.

Thanks

Harold
