Dear Cameron,

The day after I saw you another check was due. It hasn't come yet.

I include it in the itemization below of what you owe me.

Weekly.....	\$60.00
Cotton stamp plan, lisle hose, oil filters.....	20.00
Expenses on above.....	3.25
Wage-Hour (Dick Boyer).....	10.00 *
Mine story (Dick Boyer).....	15.00 **
	<u>\$108.25</u>

* No arrangement in advance re pay.

** No arrangement at first, but later you set \$40 for story. This sum for work trying to get story that didn't exist, a day.

Please let me have this. And can't you please arrange with whoever send out the checks for me to get paid without continually dunning them for it?

Harold
