Just finished telephone ~~caix~~ conversation with Sylvia at FRIDAY. She ~~ziazx~~ called me following my conversation with Boyer in ~~whikh~~ I told him I wouldn't do any mpre work unless I got all the money that was due me and that I wouldn't handle the Pittman story unless I was promised a sum in advance. She claimed they owe me for one week less than I claim and that as soon as she got my letter to Mackenzie of the 11th she made out a check and put it on Gillmor's desk ~~whete~~ it has been since. I told her I was still owed \$8.25 on the stocking story and the rest is covered in my letter. She didn't know when I would get my check.
