

WHEREAS, FRIED. KRUPP AKTIENGESELLSCHAFT, a German corporation of Essen, Germany, is the owner, by assignment (recorded in the United States Patent Office on July 11, 1931 in Liber H 149, page 238) from Paul Schafmeister, of Essen, Germany, of an application for United States Letters Patent for new and useful improvements in "Chromium nickel steel alloys, having a stable surface" invented by said Paul Schafmeister, which application has been duly filed in the United States Patent Office by said Paul Schafmeister on July 11, 1931, Serial No. 550,288.

AND WHEREAS, KRUPP NIROSTA CO., INC., a corporation duly organized and existing under the laws of the State of Delaware, having a place of business at New York, N. Y., hereinafter called the assignee, is desirous of acquiring the entire right, title and interest in and to said invention within the United States of America and its territorial possessions, and any United States Letters Patent that may be granted therefor.

NOW, THIS INDENTURE WITNESSETH, That for and in consideration of the sum of One Dollar, in hand paid to us, and other good and valuable considerations, the receipt whereof is hereby acknowledged, we have assigned and transferred, and do hereby assign and transfer to the said assignee the entire right, title and interest in and to the said invention, within the United States of America and its territorial possessions, and in and to any Letters Patent of the United States that may be granted therefor, together with the right to extend the protection thereof to the various territorial possessions now owned or which may be hereafter acquired by the United States of America, all said rights to be held and enjoyed by the assignee for its own use and behoof, and for the use and behoof of Krupp Nirosta Co., Inc., its successors or assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made. And we do hereby request and authorize the Commissioner of Patents to issue said Letters Patent, when granted, in accordance with this assignment.

In further consideration of said sum of One Dollar, and said
