

Friday

Dear Max,

As I was about to leave, having packed my car and clothes, I got an air mail letter from Yarmon. So I stayed until tonight and answered his queries.

If he has addressed any queries to me since yesterday you'd better duplicate them to E. Rhylick, because there will be no way of getting them from my mailbox.

In an emergency, as I believe I told you - but in case I didn't - you can reach me ~~now~~ by phone only at Buckeystown, Md. 42 F 32. In the event of this emergency I hope doesn't come, better make it a person call, because there are about 50 people on that line.

Please add time: \$3.30 and expenses \$1.24, total additional \$4.54.

God luck, and hope you didn't need it
