

TREASURY DEPARTMENT

WASHINGTON

July 10, 1942.

Mr. Harold Weisberg,
313 H Street, N. W.,
Washington, D. C.

Dear Harold:

Thank you for the carbon of your proposed draft of the Secretary's anti-inflation piece. In crossing out the first word on the original copy, I had intended to indicate that you might put in whatever number would be proper on the publication date. However, if this is uncertain but will not be until sometime in August, I suggest that the correction I have indicated on your carbon might well do the trick. I have also marked a couple of other minor changes I will appreciate having made.

With many thanks,

Sincerely,

Chic Schwarz
