more Spanish accents, try to be very American; that is the way of the world

bad news

It was meant to be a copy of books & some of them were sent to Dick Griffiths, a Cuban group we became acquainted with in the early 70s. Several other areas

referred to him in records.

from a responsibility assigned in Florida & S. Diego.

Dennis with story - says does not know Victoria

one of these groups (not far red)

classification groups generally
