Dear Mr. Weisberg:

We are running a story on the F.B.I., by Vito Marcantonio. We believe it would be much better to add to his story, a statement by Senator Norris.

Could you obtain his statement for us relative to the Open Letters he addressed to Attorney General Jackson, plus copies of both those letters and send them to us immediately?

If Norris has any pictures of himself we would also like you to obtain some of those from several angles as we have done the same for Vito Marcantonio.

Please rush the job for our next issue, and thanks.

Very truly yours,
