Dear Harold:

What would you think of doing an article for our August issue on the election campaign combining exposé material with an editorial frame-work, pointing out the crucial importance of ~~the~~ ~~past~~ of the new Congress for the successful prosecution of the war.

We should probably allow about the same amount of space as the Poland article required.

I should appreciate an immediate reply. If you agree to write this piece, will you please outline your plan briefly. Deadline is July 15th.

With regards,

Cordially yours

Louis Harap

P.S. you will probably receive the July issue on Monday. Hope you like the way your article came out.
