No. 241

AN ESTIMATE OF THE NUMBER OF AMERICAN CITIZENS LIVING
ABROAD, AS OF JANUARY 1, 1941, COMPILED FROM REPORTS
RECEIVED FROM AMERICAN CONSULATES IN ALL PARTS OF THE WORLD.

This estimate includes only those whose residence abroad has a permanent or semi-permanent character and therefore excludes tourists and all others whose sojourn abroad was considered to be only transitory.

Special attention is called to the fact that because of the disturbed conditions existing in certain areas of the world it has been impossible in many cases for consular officers to obtain exact figures as to the number of American citizens residing in their respective districts. However, this statement, based on all available sources of information, may be considered as a reasonably accurate estimate of Americans living abroad as of January 1, 1941.
