Dear Harold:

Just got these queries from Mort Yarmon. Please see what you can dig up for him on them: Of course, send the stuff to him.

✓ "1. I understand that in connection with the programs to keep college students at their studies in the Enlisted Reserve Corps, the government gives financial help to needy students. I know this is happening in connection with the Navy's V-1 program. How about the others? Can you get the complete story?"

✓ "2. There's much interest among those outside the Army--our public--particularly among married men and their wives--about the new pay bill, and particularly that section dealing with dependents. I can't get a decent explanation here. Can you get a good summary?"

Best,
