Dear Max,

Relet: I wrote Yarmon when I wrote you about my being out of town next week.

Re CAA They have sent you all they have on training but are today lending lists of material available at LaGuardia Field or NY Public Library. Their book is sold out at the GPO.

Miss Bienert refers you to CPT Sommers at La Guardia.

Re: women: They can take ground training only, but then they can't do anything with it. They are barred.

Re: Riley Moore:

Sent you stuff on M1 and M2 today. Stuff on women prepared, duplicated and ready to shoot as I told you several days ago as soon as FD signs bill. This material will be sent you as soon as signature by FD or by first of week, when it becomes law automatically without signature. There will be about 1000 officers.

I've many queries from MY today and hope to be able to answer them all.

Yours

Harold Weisberg
