Carlson's are not the only Marine Raider battalion and programmed of the Col. Merritt Edson did a grand job in the Solomona constant we well as the constant of the Col. Merritt Edson did a grand job in the Solomona constant we

When Carlson left China in 1938 he was compended by the Commender in thick of our Asiatic Fleet, who said: "Your duties as an allie are had a like the Chinese military forces have required you to travel thousands of miles in the interio of China, often on foor and horseback over the most difficult and horseback of a most selected a make the transfer of a most selected by mative troops. During the time therefore of hour duties mot only we introduce and disease as well." He actually got dysentery and trachoms.

Selow ar excerpts from the battle-cry sdapted by Carlson from the Chinese delinese delinest delinest delinest delinest delinest delines of course, the whierend the testagent aldeform ed. to not see, the whierend to testagent aldeform ed. to not see, the whierend to testagent aldeform and the course.

The Raiders carry everything on their backs. They are expected to reach a maximum anad of 7 miles of hour, with pack, half running and half mulking, and on long marches they average 5 miles an hour. These speeds, with heavy packs and all their equipment, greatly exceed the mulking speed of civilians, without any excumberances.
