Mr. Harold Weisberg
PICTURE SCOOP Magazine
313 H Street, N.W.
Washington, D. C.

Dear Mr. Weisberg:

I am sending you herewith copies of the last two Magazine War Guides, containing suggestions for stories three months from the date of issue. As you will see, many of these subjects are good for the duration--if you can develop your special angle.

I also enclose the releases for which you asked--N. 157 of WFB and OWI's N.149.

Having looked up the memorandum on the U. S. Information Center, I find it is not very complete, but I enclose it none the less. It should be enough to start you going. So far as I know, no other magazine is working on this.

I hope we will be able to work together in the future. You will receive the new Magazine War Guides as they come out, which is usually the 18th of each month.

With all good wishes, I am,

Sincerely yours,

Dorothy Ducas, Chief
Magazine Section
