Dear Al,

Following your suggestion, here is a bill. I doubt if I will have time or news for more. You will notice that the expense account for which you remembered you had not paid me is not \$10.00 but 9.49. I have included the story for which you were going to send me check on Monday.

Prostitution story	\$100.00
Carlson's Raiders	100.00
Expenses (phone \$1.15; cabs, \$2.05; stamps 21¢)	3.41
Wallace	15.00
Navy heros	17.50
Maloney-D.J.	7.50
Nursing-daycare, etc.	12.25
Post Office in the w r	7.30
Aviation training	10.00
Soviet heros	11.25
Labor heros	2.50
Misc.	3.00

~~211.40~~

no exp acct

In addition, I don't believe you paid me for the expense statement I filed on 10/3, \$9.60, and if I am right the total is ~~211.40~~ ^{318.00}. Also, there is, as you will notice, no charge for this week. I leave this entirely up to you, and whatever you do will be okay. I hope you will be able to send me this in full instead of the part-payment on Monday.

When I spoke to you today I neglected to ask you to notify me immediately of any news you may get as a result of my toiling in the PO vineyard.

I hope you are okay by now.
