Russia - Geology of
Berksh - Cross section
Fold

What way was it

West of New York - way
to be up to get -
the way to way
the way
shape of the way
region - the way
stopped - the way
in the way
the way - the way
of the way
the way - a part
the way - the way
the way

the way to his choice
and off - the way

with great interest
whole, can the
interests of the
your case. He was
him got. But now
quite - beyond them.
Also with Tupper
made in his name.
proposed plan.
All other steel &
Tupper -

There is a lot of what
he is a real dear the
use of gun, chess, etc. in
his life.

Every effort made to
without aid. Most
now - those of
freedom - get emergency -
members who have
person to uphold
best section +

"I got a safe guard
against any financial
merger and Communist"
we should not
have a man who is
a paper & a man
that we are carefully
trying to dis-cure
taken to the people"

Paper taking up in the bank

~~"We are going to have a great
public life" - [unclear]~~

Neutrality of exchange - [unclear]
papers dis - [unclear]
urgency protest to
members of Congress -

In view of this record,
Robert got lots of
letters around -
were viewed in
various + focus in them

Almany, "Innocent"
got rid of these bites -
used stop on them
Slovak "get him"
only thing they found
in land was my
action in getting a
god, never stop for
a billion with my
french people -
received thousands per
day.

Wanted to get them, for them,
I tried, I tried
old of them, some agency
to work for the same
& were obliged
7000 a year to get to know
There is a job, where
are really bringing
out the best of them for
America. They are
but there is a list.

LO by - after
of etc.

"No estimate from
actual up for
war - from intention
only, based on
low - 1/2 of
total of 1/2"

Let war from
called - "small group"
eastern & large interest
two bodies called
all war order. Some
members that they left
members that they
Security - small business
group - Ad. Don
W. in this "small
tent" - "drawing all
shades to the 'darkness'
"poor housing" in east.

Sparking into the sun
to help these big
man. I need for
making all this
business

What's this is a
big war & we need
"help you"
No "yes but these
are the other &
we need them!"

Paradise went through
in this war
→ within 10 days
lots of talents resigned
to western and eastern
management. Some
are better - helped
them to help in
the war.

"Politics often security of
action"

Even as many hearts
Good intentions can
hurt his country.
