Mr. Harold Weisberg,  
313 H Street, NW,  
Washington, D. C.

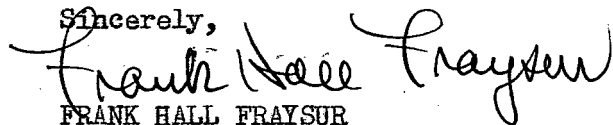

Dear Mr. Weisberg:

Since I'm a bit burdened down with closing an issue and haven't time at the moment to work out any plans for Washington representation. I do want to acknowledge your letter of September 23 and let you know that I would like to go into the idea further.

My feeling is that Washington doesn't warrant full-time representation for us as, for instance, our Hollywood office does. But I would be willing to work out something on a per sotry basis to see how the idea would function.

If you have any story ideas I'd like to correspond with you about them, or if you have any further suggestions on how you might operate for us on a part-time basis I'd like to hear them.

Sincerely,

FRANK HALL FRAYSUR
