And know let me really beg. Can you find someone you sold Oswald in New Orleans to and ask for a copy back so you can xerox me a copy? Please.

I don't want to sound arrogant but if you self publish how can you be out of print? Don't you keep a master copy? There must be a way of getting a copy of this book. Did you sell a copy to a library anywhere? If so,, do you have an adresss?

Do not run out of the other books, PLEASE. Please keep a master copy for yourself. Your work is far to important for all Americans for them ever to go out of print.

I am enclosing copies from the JFK bibliography so you can have a better idea of what I am talking about, as well as an SASE.

Respectfully
