Mr. Harold Weisberg
RR# 12 Old Receiver Road
Frederick, MD 21701

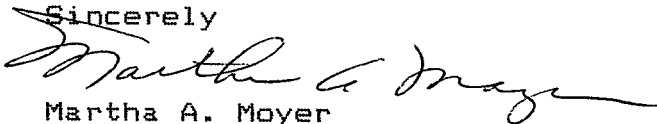

Dear Mr. Weisberg:

I would like to introduce myself. I am a retired teacher with a BS degree in US History (along with business, guidance, etc.). My love has always been history, first and foremost. I have followed JFK from his life in the Senate to his untimely death in Dallas and have continued with all the assassination materials. I have a son who is an attorney-at-law whom I have taught to share my avid interest in the Kennedy saga.

I have recently tracked down (and prize very highly) three of your books: Post Mortem, Whitewash II, Whitewash IV. My hope at this time is that you might have for sale WHITEWASH; THE REPORT ON THE WARREN REPORT.

I am enclosing an envelope for your convenience in replying to my presumptuous inquiry.

Sincerely

Martha A. Moyer

I am elated that information so diligently gathered in the early years following the assassination is, at last, being vindicated. However, I cannot really believe the sealed files will contain anything damaging as the "keepers" surely would not have been so foolish or inept.
