Dear Harold:

It's been quite a while since Rudi Hajduk and myself visited with you and Lil in Frederick.

Here, finally, is the result of many hours spent in very interesting conversation with you, plus some more hours spent reading and researching the subject further.

As you will see, the insert on page 34 (So saehe die Welt mit Kennedy aus = This is what the world would look like with Kennedy) is the result of telephone conversations with your friend David Wrone, who proved to be very cooperative and willing to talk to us.

Let me thank you and your wife, also on behalf of Rudi, for having taken all the time and trouble to talk to us. We both learned a lot and found those two days to be not only an informative, but also an enjoyable experience.

With my very best wishes for you for good (or at least acceptable) health and continued energy and enthusiasm,

Sincerely Yours,

Gabrielle Barth

Encl.
