

Dear Mr. Weisberg,

Let me start by re-introducing myself.

My name is David Zirk, I am 27 years of age and live in Selkirk, Manitoba, Canada.

I first contacted you by telephone on the 4th of March of this year, I was and am interested still in obtaining copies of your books on the assassination of John F. Kennedy. Please find enclosed my order for books and payment.

Once again I would sincerely like to thank you for your time and insights offered during our conversation. It was totally unexpected on my part, and definitely was a special thrill for me to discuss, however short, the story of your dealings with Mr. (s) Garrison and Stone.

I was only calling to inquire on how to purchase your book 'Post-Mortem'. So I was very surprised with your openness and friendliness. I'm sorry about the problems you had in understanding me, I hope it was because we had a poor telephone connection, however I think the real problem was me, stumbling over my tongue. I was very excited and perhaps a little tongue-tied.

I hope I am not being too presumptuous, but I would be very interested and appreciative if we could begin a written correspondence centering on the assassination.

I am involved with a small informal group of people and we gather to exchange and discuss ideas about the assassination.

We would be very grateful for any assistance you can offer.

If however, this is not possible, I thank you for your time and your books. I hope I get as much out of them as you put into making them.

Sincerely Yours

*David Zirk*

Some other inquiries

One of the things that I don't have very much knowledge of is the Ricky + Geneva White story. Mr. Livingstone briefly states that you "jumped all over this story", would you please briefly offer me some assistance in his claims as well as your critical analysis.

) Whatever became of Richard Case Nagell and his claims?

) How credible and accurate is Abraham Boldens story/claim?
