Dear Mr. Weisberg,

I have read some of your works, Whitewash, Whitewash II, and Whitewash IV, and consider them superb books. The Kennedy assassination is a subject that fascinates me and I think you are, without a doubt, the best author on the subject. I am writing you at this time to ask if I could purchase the book POSTMORTEM. I have been unable to locate it in this area, yet hope that I can still attain this book.

I am enclosing in this letter a check for \$20 dollars to cover the cost. I am also interested in buying any other books you have written on this subject, and the assassination of Martin Luther King. If it is possible and convenient, I would like further information on how to do this. If I have not enclosed enough money, unsure of the cost, please write back. Thank you for your time and looking forward to reading the rest of your literature.

Sincerely,

Charles J. Syby
