Dear Mr. Weisberg,
I received your order form today - thank you for sending it.

I wanted to let you know that my family and I saw you on "Unsolved Mysteries" last night. We were all impressed with you - you and your search for truth means a lot. Many people would have given up the search because of the difficulty in receiving "accurate" information, but your strength in the face of adversity really gives me hope for the future.

I am sure that I am just one of a great number of people who value the information that you have fought for.

Thank you for trying to restore "honesty" back into the American government, which is a step in the right direction.

Thank you again,

Glenna
