Dear Mr. Weisberg:

As per our telephone conversation of this date, enclosed please find my personal check #469 in the amount of \$103.25 as payment for all 7 of your books on the assassination of President John F. Kennedy. The books can be sent to me at the above address.

I have seen virtually all of the documentaries on the subject, several of which have included interviews with yourself.

I find that many of these programs try to obscure, gloss over and, in some cases, completely ignore important evidence/testimony that cannot be explained within the confines of the Warren Commission Report. I find this to be reprehensible.

Conversely, I have grown intolerant of irresponsible criticisms by fortune-hunters that cannot be proven or documented. Several "critics" have drawn conclusions based upon rumors, hearsay, alleged associations and less than credible "eyewitness accounts".

In my cursory investigation of facts regarding the physical and forensics evidence, I have come to rely on the unbiased accounts of yourself, Cyril Wecht, David Wrone and others who deal only with that which can be proven by documentation or forensic science. I see no evidence of any wild conclusions drawn by any of you.

Please accept my appreciation for your undying devotion to the truth, which in a democratic society cannot be overlooked, underestimated or ignored. This case has gone far beyond the level of a whodunnit. It is a violation of the basic ideologies which we all hold so dear. Although the deck is stacked against the truth coming out, we can never give up hope that someday the truth will be free to all. With the perseverance of yourself and others, we come closer and closer to this goal each and every day. You truly are a credit to democracy around the world.

If you should have any questions, please contact me at 1-800-877-8463, ext 316 during business hours. Thank you.

Sincerely,

Paul T. Oschal
