Mrs. Lillian Weisberg,

Thank you for your kind note.
Your husband is the best example
of America's statement "We the
People."

Due to his sacrifice and dedicatio
true history will be known. As
you honored my wishes and promptly
returned my photos, I am
providing others. They are only
for his inspection. When these
are returned I will forward others
that Harold may find interesting

You will assist our effort if you
could send us copies of the
- Los Angeles Police Report
- " " " " sketch of Ray's associat
I believe the name is "Harding"

Respectfully yours
