UNITED STATES OF AMERICA.*

Dear Mr. Weisberg,

I would be pleased to receive notification of the costs of the following books inclusive of air mail postage to Kuwait:

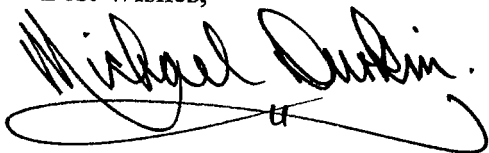

*Whitewash: The Report on The Warren Report.
Whitewash II: The FBI-Secret Service Cover-Up.
Photographic Whitewash: Suppressed Kennedy Assassination Pictures.
Oswald In New Orleans: Case for Conspiracy with the CIA.
Whitewash IV: JFK Top Secret Assassination Transcript.
Post Mortem: JFK Assassination Coverup Smashed.
Martin Luther King: The Assassination.*

May I congratulate you on *Case Open* which I have just read. It was a pleasure to see you have lost none of your outrage over the years. More power to your elbow.

Rest assured there is a continuing, intense interest in England, especially in my home city of Liverpool. Alas, the subject draws as many frauds and cranks in England as it does in the USA. But it is easy to spot them after a little practice.

Please remember it is the efforts of people like yourself which ensure the subject will never be forgotten. Democracy everywhere will never fail to pay the invoice left by John Kennedy's death. It is our debt to you too.

Best Wishes,

A handwritten signature in black ink that reads "Michael Durkin". The signature is written in a cursive style with a large, sweeping flourish at the end.
