

Amold

Just wanted you both to know
how often I think of you.
How often I think of giving up.
How often I refused to give up.
If just the good fight to become
I fight the good again. You have
wished once a welcome inspiration.
wished as a welcome inspiration.
Served as a welcome inspiration.
As you would say "The best friends
are those in need."
Until it's right. . . .

Wishing you all
the special joys
of the

Christmas
Season!

Best wishes
Hoyd Jarrow
and thanks
