Mr. Weisberg,

I am sending you the \$27.00 for a copy of OSWALD IN NEW ORLEANS. I have read WHITEWASH and have just started WHITEWASH II and find them the most interesting books I have read. It is very startling to take your book and go back through the Warren Report to see the level of cover up firsthand. Thank you for making this possible. I don't know how many people have read your books but I believe everyone should. I would like to know if you are planning on writing another book. If its not too much trouble would you mind autographing OSWALD IN NEW ORLEANS for me, I would really appreciate it.

Thanking You In Advance,
Bill F. Keys
