Mr. Harold WEISBERG

Dear Sir:

I have 2 sets of your valuable books except for the OSWALD / NEW ORLEANS volume which seemed to be unavailable, however, the TOM DAVIS BOOKS shop (Aptos, California) told me XEROX copies were available from you for \$26.25 ppd. I hope this is so - enclosed please find a M.O. for US \$52.50 for two tax copies. If for some reason this is not so don't trouble yourself returning the money please keep it as a token of my respect for you and gratitude for the work you have done.

Respectfully, Anthony A. Amabile
