Dear Mr. Weisberg,

About twenty years ago I had the pleasure of meeting you at a symposium on the JFK assassination held at the University of Wisconsin - Stevens Point. At that time I purchased a copy of Whitewash - the report on the Warren Report from you.

Today I am enrolled as a graduate student in History at the University of Wyoming. I still have a keen interest in investigating the non-investigation of the Kennedy assassination.

Have you published any additional books derived from your work? If you have, would you please send me a price list and ordering information.

Sincerely,

John R. Brower
